We confirm that we are eligible to be married through one of the prescribed Qualifying Connections and we know of no lawful reason why we cannot be married.

We agree that we will:

1. Complete a form with the administrator confirming our personal details
2. Agree to attend both the Wedding Preparation Evening and subsequent Marriage Preparation Course evenings.
3. Provide a passport or other proof that we are both EEA nationals or complete the necessary civil preliminaries if we are not.
4. Agree to be contacted regarding the wedding arrangements and occasionally in the future as part of occasional wedding follow up.
