Headteacher: Mrs C Vignaux BSc (Hons) PGCE

16th December 2020

Dear Rev Katrina and Friends in the Community

What a year this has been! At school, we have found creative ways to maintain a sense of 'business as usual', to ensure the children have the very best learning experiences and to keep our children safe.

I feel extremely lucky to be the headteacher at Abbots Ann School and to be part of this wonderful community. No more so than when Rev Katrina told me about the Community's desire to help some of our families by giving them special gifts. This week I have had the joyful job of letting people know, that after this challenging time, the Community are thinking of them and sending them their love and some help. The response from our families was emotional and the thanks were heartfelt. They were truly touched by the kindness and generosity of the Community and I would like to pass on their warm words of appreciation. These things come about from thoughtfulness, hard work and kindness. Thank you.

The children, staff and Governors of Abbots Ann School wish you a joyful Christmas with your families and a healthy and happy 2021.

Happy Christmas!

Best wishes

Claire Vignaux
Headteacher
